17th March 2020

Dear Parents and Carers

Coronavirus Update

Yesterday the Government issued further advice on coronavirus.

Symptoms

The most common symptoms of coronavirus (COVID-19) are recent onset of:

- new continuous cough and/or
- high temperature

For most people, coronavirus (COVID-19) will be a mild infection

- If your child is showing either of these symptoms your whole household should self-isolate for 14 days and not come to nursery.
- If anyone in your household is showing either of these symptoms you should all self-isolate and not come to nursery.
- Any families currently self-isolating must extend the period to 14 days and not come to nursery.
- Ring nursery on your child's first day of absence to inform us of their absence.

At Walton Lane Nursery School and Rocking Horse Club we have increased all our hygiene measures further. Touch points are being cleaned at least twice a day and all rooms are having additional cleaning.

Hand hygiene is essential to limit the spread of coronavirus and everyone must use hand sanitiser or wash their hands as they come in to rooms.

We will continue to follow Government and Public Health England advice to limit the spread of coronavirus to keep everyone safe.

Best wishes

Jan Holmes
Headteacher and Head of Centre
