March 2016

Dear parents / carers,

One of the aims of our centre is to provide affordable childcare services to families. The Rocking Horse Club is a 'not for profit' organisation, any monies raised are used for staffing wages, resources, catering and building costs.

In order to maintain our outstanding practice, staffing levels and meet our overheads, from September 2016 childcare fees will be payable one month in advance for all parents/carers. This will bring us in line with other nursery providers. It is important that you plan your payments now for the transition period until September 2016. The finance team are available to discuss payment plans for all parents/carers.

It is with regret that we have had to implement this procedure, but it is essential for us to be able to sustain childcare provision. If fees are not paid in advance care will be declined.

Yours Sincerely

Angela Woodward
